"Cause For Applause"

The Linton-Stockton School Corporation values its many employees, as well as our students, families and community members that we help to serve each day. We would like for everyone, students, parents, teachers, staff, administrators, and community members to take a moment to help us celebrate the great work of the individuals who help make our district a better place for

our students. The "Cause for Applause" Award program recognizes Linton-Stockton School Corporation employees that have gone above and beyond their daily expectations. This is a monthly honor and anyone can nominate an employee for this award. Please go online to our school's website (www.lssc.k12.in.us), and on our corporation's homepage, you will find the Cause for Applause logo. Click on the logo and you will be directed to the nomination form.

Educational Talent Search

ETS is a program that is funded by the U.S. Department of Education serving eligible young people in grades six through twelve. ETS identifies students who demonstrate an interest or desire to attend college and provides them with the motivation and support to enroll in a program of postsecondary education (college, university, technical or vocational school) after high school graduation.
